

**COMPREHENSIVE SCHEDULE OF FEES AND CHARGES ADOPTED BY
THE ROSEMEAD CITY COUNCIL**

RESOLUTION 2016-21

WHEREAS, the Municipal Code of the City of Rosemead provides that certain filing fees, permit fees, inspection fees, deposits, and conditions of service may from time to time be established by the City Council, and

WHEREAS, the City Council of the City of Rosemead has determined that the cost of providing certain services is not of general benefit but of benefit to the individual and, therefore, certain filing fees, permit fees, inspection fees and deposits should be required to pay for materials and special services performed by the City staff, and

WHEREAS, after the passage of Propositions 4 and 218, local governments were made to charge for the costs of services to those who benefited, and

WHEREAS, for certain services performed, the cost of providing said services greatly varies and is contingent upon the specifics of each project or application. In certain instances, the City Council finds it more appropriate to require an initial deposit to guarantee the applicant will reimburse the City for costs associated. If the costs exceed the deposit, the applicant shall be responsible for additional deposits or reimbursement necessary to offset cost. If cost of service performed is less than deposit, then the difference shall be refunded to applicant, and

WHEREAS, based upon fee justification reports on file with the City Clerk and the City Finance Director, the City Council finds that the fees included in the Resolutions represent a portion of the actual costs of the services provided or facilities funded and, therefore, there is a rational relationship between the fees charged and the services and facilities funded, and

WHEREAS, the City Council has found that since the fees represent a portion of the actual costs of the service or facilities provided, there is a reasonable relationship between the amount of the fee charged and the costs of the services provided to the person paying the fee, and

WHEREAS, the City Council may adjust fees for certain services from time to time and incorporate all adjusted and/or new fees for services provided into one comprehensive schedule, and

WHEREAS, the City Council has found it necessary to adjust fees for services, and to maintain a comprehensive document which incorporates most or all fees for services provided by the City into one schedule, however, the City Manager has the authority to establish staff billing rates and equipment charges by Administrative Policy on an as needed basis, and

WHEREAS, after complying with public meeting and agenda posting requirements; the City Council adopted the various resolutions establishing fees at various meetings.

NOW, THEREFORE, the City Council of the City of Rosemead has resolved as follows:

SECTION 1. That the general regulations and project deposit guidelines are established as follows:

A. TIME AND MATERIALS DEPOSITS – Certain types of applications have been determined by the City Council to benefit the applicant. Therefore, these deposit projects will be billed on a time and materials basis including applicable administrative overhead.

Project costs include City Attorney, City Staff, City Engineer, City Landscape Consultant and other fees including overhead costs for staff and contract personnel. All deposited fees shall be due and payable immediately upon presentation of a billing statement by the City. All deposited fees not used to process and manage the application shall be returned after receipt and payment of final project-related bills. Staff's billing rates and equipment charges are established periodically by Administrative Policy of the City Manager.

B. BILLING - Failure to pay all charges invoiced within thirty (30) days of the date of invoice shall be considered a sufficient cause to stop processing until full payment is made. The City will accept only cash, cashier's checks, bank checks or credit/debit cards; payment by credit/debit card may not exceed \$5,000 (five thousand). Work on a deposit project will not commence until payments have cleared the bank and funds have been transferred to the City. Projects shall not be deemed approved until all City fees have been paid in full.

C. LATE PAYMENT CHARGE - Outstanding balances that are not paid in full within the time frame specified will incur late charges established by the City according to the type of application.

D. REVISIONS - Fees set forth for plan check and development review shall be for the initial application. See attached fee listing for additional costs for revisions.

E. RECORDS - Records of deposit projects are available by contacting the City. Project deposit updates or closing out of projects shall be accompanied by project summary sheets, detailing costs of staff time, City Attorney, City Engineer, City Landscape Consultant, and other consultation charges.

F. HARDSHIPS - Fees shall be paid in full for all development projects. The City recognizes that in unique and special circumstances financial hardship may preclude the full payment of fee prior to application for permits. In such cases, the applicant shall apply for a payment deferral agreement with the City Manager.

In no case shall the fees be waived or partially paid when the project is completed. The applicant shall state in writing the reasons for deferral. The City Manager shall inform the Community Development Director and Finance Director in writing of the fee deferral and reasons for the deferral. In no case shall the City Manager permit less than half of the fee to be initially paid.

G. OTHER FEES AND CHARGES FOR SERVICE - Applicants should be aware that they may be subject to other fees and charges for service established periodically by Administrative Policy of the City Manager or by Ordinance.

H. EXEMPTION OF FEES - Where it is verified by the City Manager or appropriate department head that the City is the applicant or party to be charged, fees will be waived. Additionally where a contractor has been hired on behalf of the City, fees may be waived at the discretion of the City Manager.

N. CIVIL FINES (ADMINISTRATIVE CITATIONS)

Pursuant to Ordinance No. 918, which authorized the issuance of Administrative Citations that impose civil fines upon those who violate the Rosemead Municipal Code; and pursuant to Section 1.20.040 of the Rosemead Municipal Code which provides that fines, interest and penalties shall be set by City Council resolution, Resolution No. 2011-45 established the fines, interest and penalties for municipal code violations as follows. (The following has been reprinted from Resolution No. 2011-45 for purposes of information and ease of reference.)

1. Fines. Violations of the Municipal Code of the City of Rosemead shall be subject to the fines shown below. A subsequent violation is any violation where the cite was cited one or more times in the preceding twelve (12) months for the same violation, unless the violation was cancelled pursuant to Chapter 1.20.

<u>CODE SECTION</u>	<u>FINE AMOUNT FOR FIRST VIOLATION:</u>	<u>FINE AMOUNT FOR SECOND VIOLATION:</u>	<u>FINE AMOUNT SUBSEQUENT VIOLATION:</u>
Violation of RMC Titles: 5 -- Business License and Regulations 8 -- Health and Safety 16 -- Subdivisions 17 -- Zoning	\$250	\$500	\$1,000
Violation of RMC Title: 15 -- Building and Construction	\$100	\$500	\$1,000
Violation of RMC Section: 9.12.040 -- Damaging Property 10.24 -- Operation and Parking of Private Buses	\$500	\$1,000	\$1,000
Violation of all other Code sections.	\$100	\$250	\$500

2. Administrative Fee. All citations shall incur an administrative fee of \$20.
3. Late Payment Penalties. A penalty of 10% will be added on any delinquent fines on the last day of each month after the due date. This penalty will be imposed and collected according to the discretion of the City Treasurer upon considering such factors bearing on the practicability as to the cost to compute the amount owed the amount of penalty due, and its collectability. The purpose of granting this discretion to the Treasurer is to not require collection of interest when it would not be cost effective.
4. Collections. Fines that are delinquent for sixty (60) days or more and total at least \$250 shall be processed through the abatement and/or assessment procedures specified in section 1.20.150 of the Municipal Code. All other delinquent fines may be referred to a collection agency as determined by the City Treasurer.
5. Shopping Carts. All citations that relate to shopping cart violations shall be \$50 for the first offense and \$100 for the second offense. These violations include Removal, Abandonment or Possession of a shopping cart pursuant to Municipal Code Section 9.12.080. This fine can be reduced to zero if, within ten days, the individual cited can show that a hand cart was purchased. The individual must show proof that they have purchased a hand cart by providing a receipt to the Rosemead Public Safety Center within ten days. The violation may only be waived for the first offense.
